

格闘家と格闘家との戦い

What
other wedding
arrangements
that really
draw attention
to her dress.

I am going
to decline
any chance
of them
possibly getting
together!

There is
this some
add.

But that
I have
to that
there...

There
they
are!

There is a lot of people who are looking at the man in the patterned shirt. They are looking at him with a lot of interest.

Is it
legitimate?
What's
the thinking?

Someone
is pulling
on
my
chest

Oh look!
They've
started
fighting it
up!

It hasn't
even started
yet. Don't
get too
excited

Boy this
sure does
have the perfect
feeling
of summer,
doesn't it?

What is
the world
is that?

Look at the way
they spread the legs.
Simply marvelous.

that was
he's not
used to
look at
this

Clear throat

Unhhhhhh!
Now to find them

にたあ〜

Just got to be quiet
and they'll
never find me
coming

A1!

Hi you.
A drink sounds
great.

I'm
starting to get
a little
thirsty.

Unhhhhhhhh
Success!
Now I just have
to rest

Punaha:
Isn't that
strange?

She's
putting up
a strong
fight.

Minato
Agariki

What do
you think
you're
doing?
Forward!

Don't
pull on
that!

Agariki

Ugh!

Agariki

Jesus, she's
furry!

Something
is happening!
I would never
do something
like that!
